

Lunenburg Historical Commission January 2025

The Lunenburg Historical Commission met at the Ritter building on January 7th. The meeting began at 7:00 PM with members Richard McGrath, Jen Sanderson and Kevin Boussom in attendance.

New business for 2025 starts with the opportunity for another grant from the mass historical commission, which could possibly be used towards the restoration of the Methodist church steeple which is currently deteriorating. The commission will discuss this topic at a later date. A meeting is set to occur on January 16th with Brian Knight in regards to the Town survey. Chairman McGrath plans to meet with the APDC to discuss historic signage within the district, as well as the state of the town pound which will require maintenance. The town pound is currently under the jurisdiction of the Parks Department.

There was no further business, so the meeting adjourned at 7:18.
