

Lunenburg Historical Commission Minutes - Sept 2025

The Lunenburg Historical commission met September 23 at the Ritter building, with members Mcgrath, Lakso, Sanderson, and Boussom all in attendance.

The meeting began at 7:05 PM

The minutes for the June meeting and the special meeting for the Boston Post Cane were reviewed and accepted.

Previous correspondence sent to PFMG holdings regarding 763 Mass Ave was returned, as the address was no longer valid.

New business to be attended to includes the Flat Hill rd and Fish st stone markers, which both require some maintenance.

The reproduction Boston Post cane that has been purchased is currently at John's Watch and Jewellery in town to evaluate a price for engraving "Lunenburg" on the cane.

The MA Historic Commission has had some delays in regards to the Town Survey, so it will be extended into next year.

The Commission's remaining budget from last year has been sent to D&G graphics for the purchase of historical markers for the ongoing historic site project.

This year's current budget is \$1500, and the plan is to use some of that towards the Hometown Heroes project.

The merger for the Historical Commission and APDC is to be presented in a warrant at the November town meeting.

With no further business, the meeting adjourned at 7:30 PM
