

Lunenburg Historical Commission January 2026

The Lunenburg Historical Commission met January 6th at the Ritter building at 7:00 PM.

Members McGrath, Lakso, Sanderson, and Boussom were in attendance.

December minutes were reviewed and accepted.

A reply was received from Mike Dickinson of the Templeton Historical Society regarding the 1776 Lunenburg document, and it will be donated to the Historical Society.

Returning to the Hometown Heroes project, Jen Sanderson plans on choosing a banner design which will be used for the first 10 banners funded by the commission. After those, the plan is to pass the project along to Veterans Affairs, which will continue the project.

It has also been confirmed that 68 Elm street is in fact from the mid 18th Century, but still no response has been had from the current owner.

With no further business, the meeting adjourned at 7:10 PM.
