The 300th Committee will be represented at the Town Fair on May 10th. Thanks to Chris Sullivan, the \$40 entry fee was waived. Laura, Bill, Caesar, Paulette, and Jeanne offered to be present at the event. Bill will bring memorabilia the Historical Society has from the 250th and 275th celebrations. Laura can supply tent. There will be signup sheets for volunteers for 300th events as part of the Tricentennial Team.

Chris will set up an email: lunenburg1728@gmail.com

Paulette Beardmore and Jeanne Dupre have submitted applications to serve on the Committee.

Tony motioned for approval of 12/9/24 minutes, seconded by Cathy with amended venue and corrected spelling of Laura's name. The motion was approved unanimously.

As a followup to the resignation from the Committee of Chairman Peter Lincoln, Vice Chair Bill Tyler said he would consider being Co-Chair, but was not interested in serving as Chair. The Committee deferred electing a Chair until further investigation could be done as to who might be willing to serve in that capacity.

Bill Tyler reported a meeting he had with Fire Chief Pat Sullivan, Jim Lattanzi and Pete and Debbie Lincoln. Jim offered his tree farm as a place to have a bonfire. Chief Sullivan indicated difficulty with staffing for such an event; Jim could cover that with Fitchburg and volunteers, also he has ample water supply and parking. It seems as though this is a great possibility for our event.

Guest Ana Lockwood brought up the possibility of using Whalom Lakefront as a venue using local businesses for parking and having shuttle buses.

The motion to adjourn at 8:19 by Laura, seconded by Tony was unanimously approved.

The next meeting is scheduled for August 25 at 7:00 at the library.
