Members Absent: Michelle Belleza, Laura Brzozoski, Cathy Clark Jeanne Dupre, Tony Sculimbrene

Guest: Maura Lizak

Minutes were approved with amendment of Michelle Belleza's absence. Members would prefer to receive minutes right before meeting rather than earlier.

FINANCES

Selectman Nuzzolo addressed the financial situation. The money allocated in 2023 is gone, as it had to be spent in that Fiscal Year' and went to Free Cash. There is a new Finance Director. He suggested a "Revolving Fund through the Town Manager. Town Manager or staff would make purchases for us through the town. Any money left over from donations would be given back to Free Cash. Another suggestion was to start a "Gift Fund."

FIREWORKS/LASER SHOW

Chris Ruth has a blaster's license and is familiar with fireworks. We would only need 10-15 minutes for New Year's Eve. We could use Pinnacle Laser for the Birthday Party.

LOGO

The logo should be simple. Chris will ask Camera for parameters. The deadline will be 5/30. Maura will email the Superintendent and the Principal.

BIRTHDAY CAKE

The Birthday Cake doesn't belong to any community, but makes the rounds. It is now in Lowell.

ADJOURNMENT

Members voted unanimously to adjourn at 7:55.
