Bill Tyler confirmed we have \$20,000 in Town coffers

Lois has a donation for \$100 from Rich Letarte made out to the Town - will deposit.

Public Comment

Nancy Beach suggested creating 300 lawn size candles of wood to be sold for \$75. Smaller ones for the birthday cake. Perhaps Monty Tech could help with cutting them, and DG Graphics with logos. Small candles could be given for birthdays, gifts, etc. and NHS could deliver

Minutes were approved. Dawn motion, Maura second.

NYE Fireworks - Bill going to School Committee meeting on 7/29 to discuss 8 minute show on football field

It was suggested to have a laser show rather than fireworks for Birthday weekend.

Bill got word the birthday cake is not in good shape. He and Chris Sullivan will check it out in Lowell. Jeanne will see if her facility people will go. Need to find a place to work on it. DPW? Barns?

Bill brought pictures of mockup coins from Blackinton and Co. in Attleboro. Is lucite available?

Banners suggested by Cathy Clark - check Minuteman Press, DG Grahpics - place in Center, Whalom, Chase Rd, etc. Also bunting for Town Hall.

Friends Group - 501C3

Several names were suggested to begin to assemble a 501C3 Friends group, and we will see who we can gather for the next meeting.

Topics for further discussion at the next meeting: Birthday cake and coins.

The meeting was adjourned at 8:16.
