CEI meeting with Select Board

Bill Bernard was not available so this topic will be added to the next meeting agenda.

Advertising Kickoff Ideas

Tim Willsmer questions if there is a ceremony when the BMP project is completed. This may be an ideal time to advertise for the educational portion of the BMP project.

IV. MEETING MINUTES

5/16/24

Renee Emkey was unable to read the minutes. Due to there not being enough people to vote this was postponed.

V. ONGOING BUSINESS

Highschool BMP

The School Committee voted to not approve the Middle High School location for the BMP. The original location is being used by the school and there were also concerns about who would maintain the space. Renee Emkey states there has been no construction started and is unaware of a new location being discussed.

Renee Emkey questions if there is a deadline before a penalty ensues.

Jenny Pewtherer suggests the location be approved prior to having the plans drawn up.
