

MINUTES FOR DECEMBER 20, 2019 TRUST FUND COMMISSIONERS

Attendance: James Besarkarski, Cathy Hennessy and Michael Gale

Reviewed minutes from November 4, 2019 meeting

Discussed citizen request for assistance. Discussed asking citizen to speak with her church group for assistance and perhaps assessing the roof for patching instead of replacing the roof.

We talked about getting a copy of denial from her (the citizen) insurance company.

We asked Michael Gale questions about the trust fund commissioners role and parameters in regards to distributing money to people requesting it. For instance is a citizen required to pay back any of the money borrowed. No is the answer. Or can the trust fund commissioners ask for some kind of good faith pay back without requiring the person to pay back the money-answer yes. We also asked if we could limit the scope of funds-that was a yes.
